

## welcome

Doward International is an independent wholesaler, importer and manufacturer of personal care accessories, toiletries, skin care products and gifts. This catalogue contains our core brands and sundries, but by no means all of our products.

## giftware

Doward also has a huge range of fantastic gifts but they are not included here. That's because our range is constantly updated for seasonal events like Mother's Day, Father's Day and Christmas. So ask your sales representative or phone our customer service desk about our stylish, must-see range of decorative accessories, frames, toiletries & cosmetic bags. Innovative ideas for men. Bathroom, Travel & Baby gifts. Fantastic gift wrap & more. Our experienced buyers have extensive contacts and can also source specialty gifts and other products for catalogues, promotions, events and exhibitions.
